1 Our football season didn't end as we all wished it would, but nonetheless, dedication, concentration, and great amounts of effort were given by each teammate. Pictured here is Michael Gray and Coach Bob Sugino intensely observing a crucial football game.

2 Many seniors found it difficult to study as the graduation date became closer and closer to reality. But, these three "scholars", Daizo Kobayashi, Paul Yoshino, and Nelson Kobata put their minds and ideas together as they attempted to solve a mind-boggling problem.

3 Our band members looked stylish and sporty as they performed for the crowds during halftime in their new uniforms purchased at the beginning of the year. Damone Fowler, a member of the band, is photographed in action as he demonstrates his musical talents as a Mohican drummer.

4 Cruising the beach strand on a bicycle built-for-two are seniors Chris Montagna and Tod Minato. This favorite pastime, as well as roller skating, has become a reborn fad as countless teenagers flock to the beach for a day of bike-riding, skating, and just pure fun.

5 Attending one of the various noon activities often held in the amphitheater is Carol Sanders, taken a little off guard by a "mysterious" tap on the shoulder.

6 Besides grabbing a bite to eat at lunchtime, students often find themselves catching up on homework, cramming for a test, or just visiting and talking with their friends. Sitting comfortably in the quad area during lunch are Roger Flewelling, Al Castro, and Natalie Mijatovich, relaxed and enjoying each other's company.

7 As Sheila Oliphant teaches a few orchestra members a little lesson, Zondra Lewis looks on in disbelief. Eavesdropping on the interesting conversation is Eddie MaLachlan, located in background.

8 Our photographer captured a moment of defeat as Varsity football player, Alfred Ligon, gazes into empty space after suffering a loss.

9 Men on ladders with brush in hand soon became "regulars" on our campus as they accomplished the tedious, time consuming task of painting the entire school.

10 The atmosphere at our football games always seem to prove exciting as Jamie Leffler, Vicki Yates, Terri Little, and Veronica Nixon, members of the drill team, each find something interesting to watch.

11 Competing in any type of sport can be rewarding as well as frustrating. Swimmer Larry Gregg, pictured here, becomes familiar with the agony of defeat as he finished second in a close battle at a swim meet.

Three full years have whizzed by and the words "high school" will soon become a memory. Many friendships were made during these brief years, only a handful lasting forever, while the others will soon fade away with the passing of time. Nevertheless, the excitement, the turmoil, and the mediocrity that filled each ordinary school day will surely linger on. Dancing at the prom and spending Grad Nite at Disneyland will be thoughts just as cherished as those times we would spend at lunch or walk briskly to class to avoid being tardy. Although many of the seniors can remember how they crammed for their finals and struggled to keep a decent GPA while avoiding senioritis, we the KIAMIS of '79 can be proud of our year and what we have accomplished.

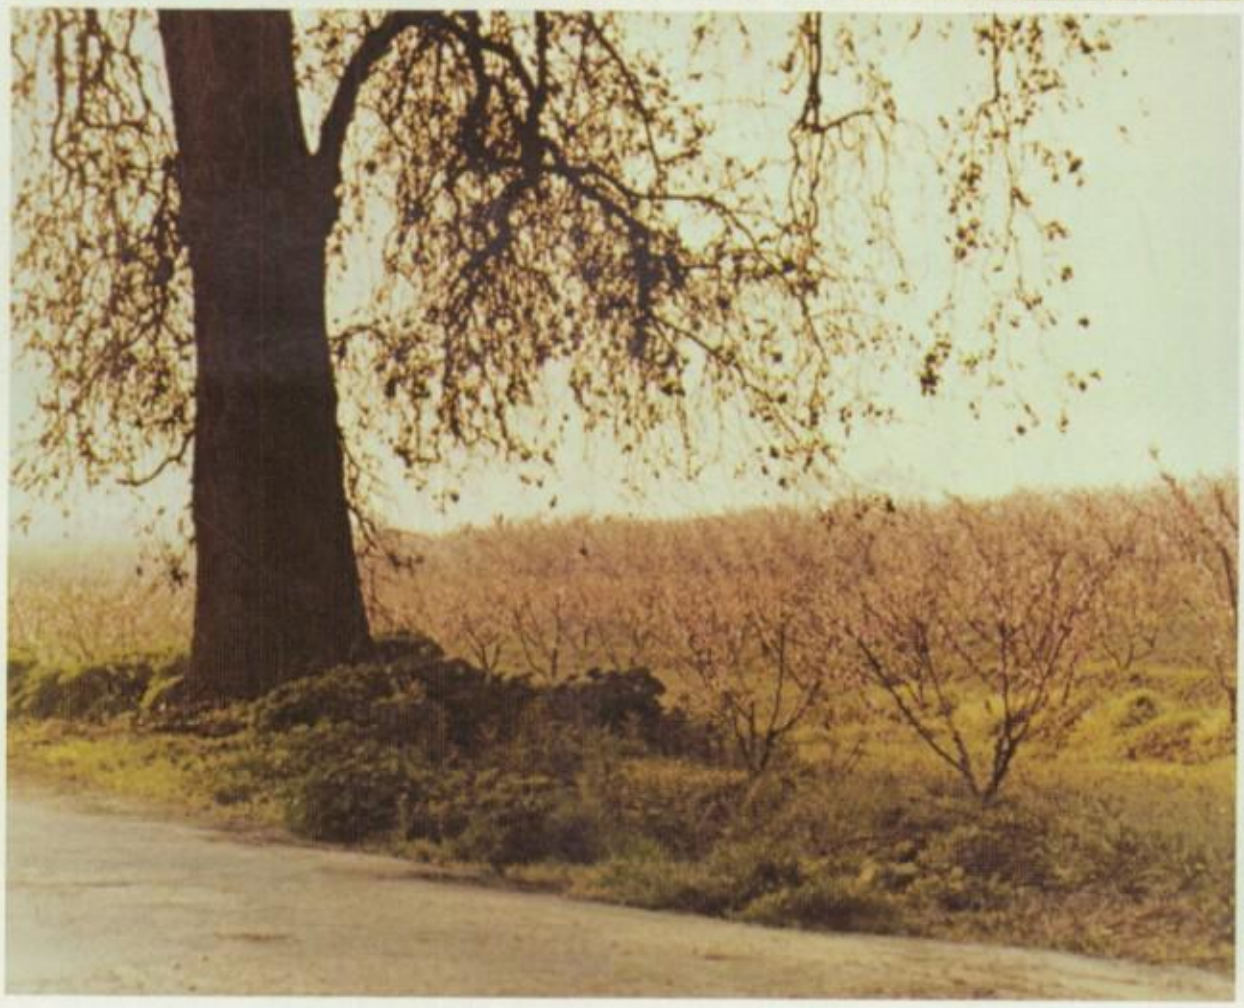
CONGRATULATIONS SENIORS!!!!!

Daryl Wilson

Jonathan Yungkans
N.C.T.E. Finalist, Math Club V.P., French Club, Chess Club, Computer Club

We concluded the Senior portraits with Jonathan Yungkans . . . Back in September, everything seemed so far away . . . HOMECOMING . . . SILVER BELLS . . . PROM . . . SADIE HAWKINS . . . GRADUATION . . . and GRAD NITE . . . One by one these special occasions came and all that was left were memories . . . We learned through trial and error and all of our past experiences . . .We hope that as you look through these pages, we have helped recreate those memories and friendships that are special to us . . . Take a few moments to think, to reflect upon activities and places . . . as you leave for your dreams . . .



Good Morning, Yesterday
You Wake Up
And Time Has Slipped Away
And Suddenly It's Hard To Find
The Memories You Left Behind
Remember . . .
Do You Remember . . .

The Laughter And The Tears
The Shadows Of Misty Yesteryears
The Good Times And The Bad You See
And All The Others Inbetween
Remember . . .
Do You Remember . . .
The Times Of Your Life . . .

Here Comes The Setting Sun
The Seasons Are Passing One By One
So Gather Moments While You May
Collect The Dreams You Dream Today
Remember . . .
Will You Remember . . .
The Times Of Your Life . . .

Reach Back For The Joy And The Sorrow
Put Them Away In Your Mind
The Memories Are Time That You Borrow
To Spend When You Get To Tomorrow

FACULTY

CLOSING THE **GAP**

Preparing, presenting, and evaluating students' work remains the responsibility of the teacher in charge although the student must meet them halfway in this process. Nearly all teachers make themselves available for conferences or offer extra help after classes. Beyond that, meeting with members of the administration is often as easy as knocking on their office door or making a date at lunch. But of course, our faculty members are not only occupied with teaching but are also into the latest fads and have hobbies that range from traveling and flower arrangement to jogging and going to concerts. Did you know that Mr. Banta owns two land rovers and a devastating amphibious car? Unique, huhh?

AND NOW . . . OUR BOSS . . . MR. DAVID CARTER

To the class and students of Summer 1979:

It is with a great deal of pleasure that I wish the **Kiamis,** Class of Summer of 1979, best wishes with your graduation. This class has been very special to me as your principal, for we came together in the summer of 1976 to Gardena High School and your graduation and successful completion of your many, many exciting extra-curricular activities has been a joy for me to be a part of.

While you graduate with our best wishes and many blessings, I remain behind with this excellent faculty to continue to work with your brothers and sisters and the many young people who will follow you at Gardena High School.

As the Class of 1979, you are the 70th year graduation class, and that is a long standing tradition for this great community. Hopefully, your three years have been meaningful to you, and your life has been enriched by your experiences here, as you have enriched our lives with your many beautiful personalities.

STUDENT LIFE

As the student body gathers around the amphitheatre anticipating a rock concert or as curious students check out the clamorous pep rallies, we are all given the chance to unwind and relax, forgetting temporarily about the homework due in the next class or the low grade just received on a fifty point quiz. Although the rainy weather cancelled many noon activities, tug-a-wars, dances, candy apple sales, and obstacle races were quickly planned as soon as the rain disappeared. True, participation wasn't always the best, but the high-spirited spectators and participants involved always seemed to enjoy themselves and have a good time.

"THIS IS FOR YOU BENDER"

The 1979 El Arador staff dedicates this page to our editor . . . for her willingess to serve the school, the special touches she added to the yearbook, and for always being there when we needed her. "Bender" . . . This one's for you!! Kathryn Wendy Nakayama . . . how familiar is that name to you? We know her as a sweet, easy-going person who gives her all in everything she does. Better known as "Bender", her contributions to Gardena High School are many, and she is appreciated by administrators and peers alike. In her three years here, she has accomplished much, and has enriched all of our lives with her smile and warm personality. Bender was a member of the Varsity basketball squad for three years in a row, and proved to be a real star on and off the court. Clubs were an important part of her high school days . . . being involved in Interact and Las Laureas, as well as being chosen as Key Club Sweetheart. She never seemed to lose her desire to help others. In her senior year, this three-year Athenian also became the El Arador editor, and worked hard with the staff to put together a beautiful yearbook. Bender was chosen by the senior class of 1979 as "Best All Around" . . . a title which fits her perfectly. She is also a Gold Seal Bearer and a member of the Ephebian Society. Though her three years at Gardena High are complete, she left an impression on us that will last a lifetime. Forever we will give thanks to the girl who added so much to our lives. A person who has everything . . . especially friends who care so much about her!!!

WE LOVE YOU, BENDER!!
El Arador Staff 1979

Entering into an unfamiliar environment, many sophomores may still vividly remember that first day of school at Gardena High. But those memories of anticipation, harassment by the seniors, and a feeling of being totally lost were soon pushed aside as each new day brought a sense of confidence. A whole year has now gone by as you find yourself to be very outgoing and zealous, actively participating in student government and various campus clubs. Nothing can stop you from accomplishing the goals you have set as each new obstacle you face, day after day, develops your character.

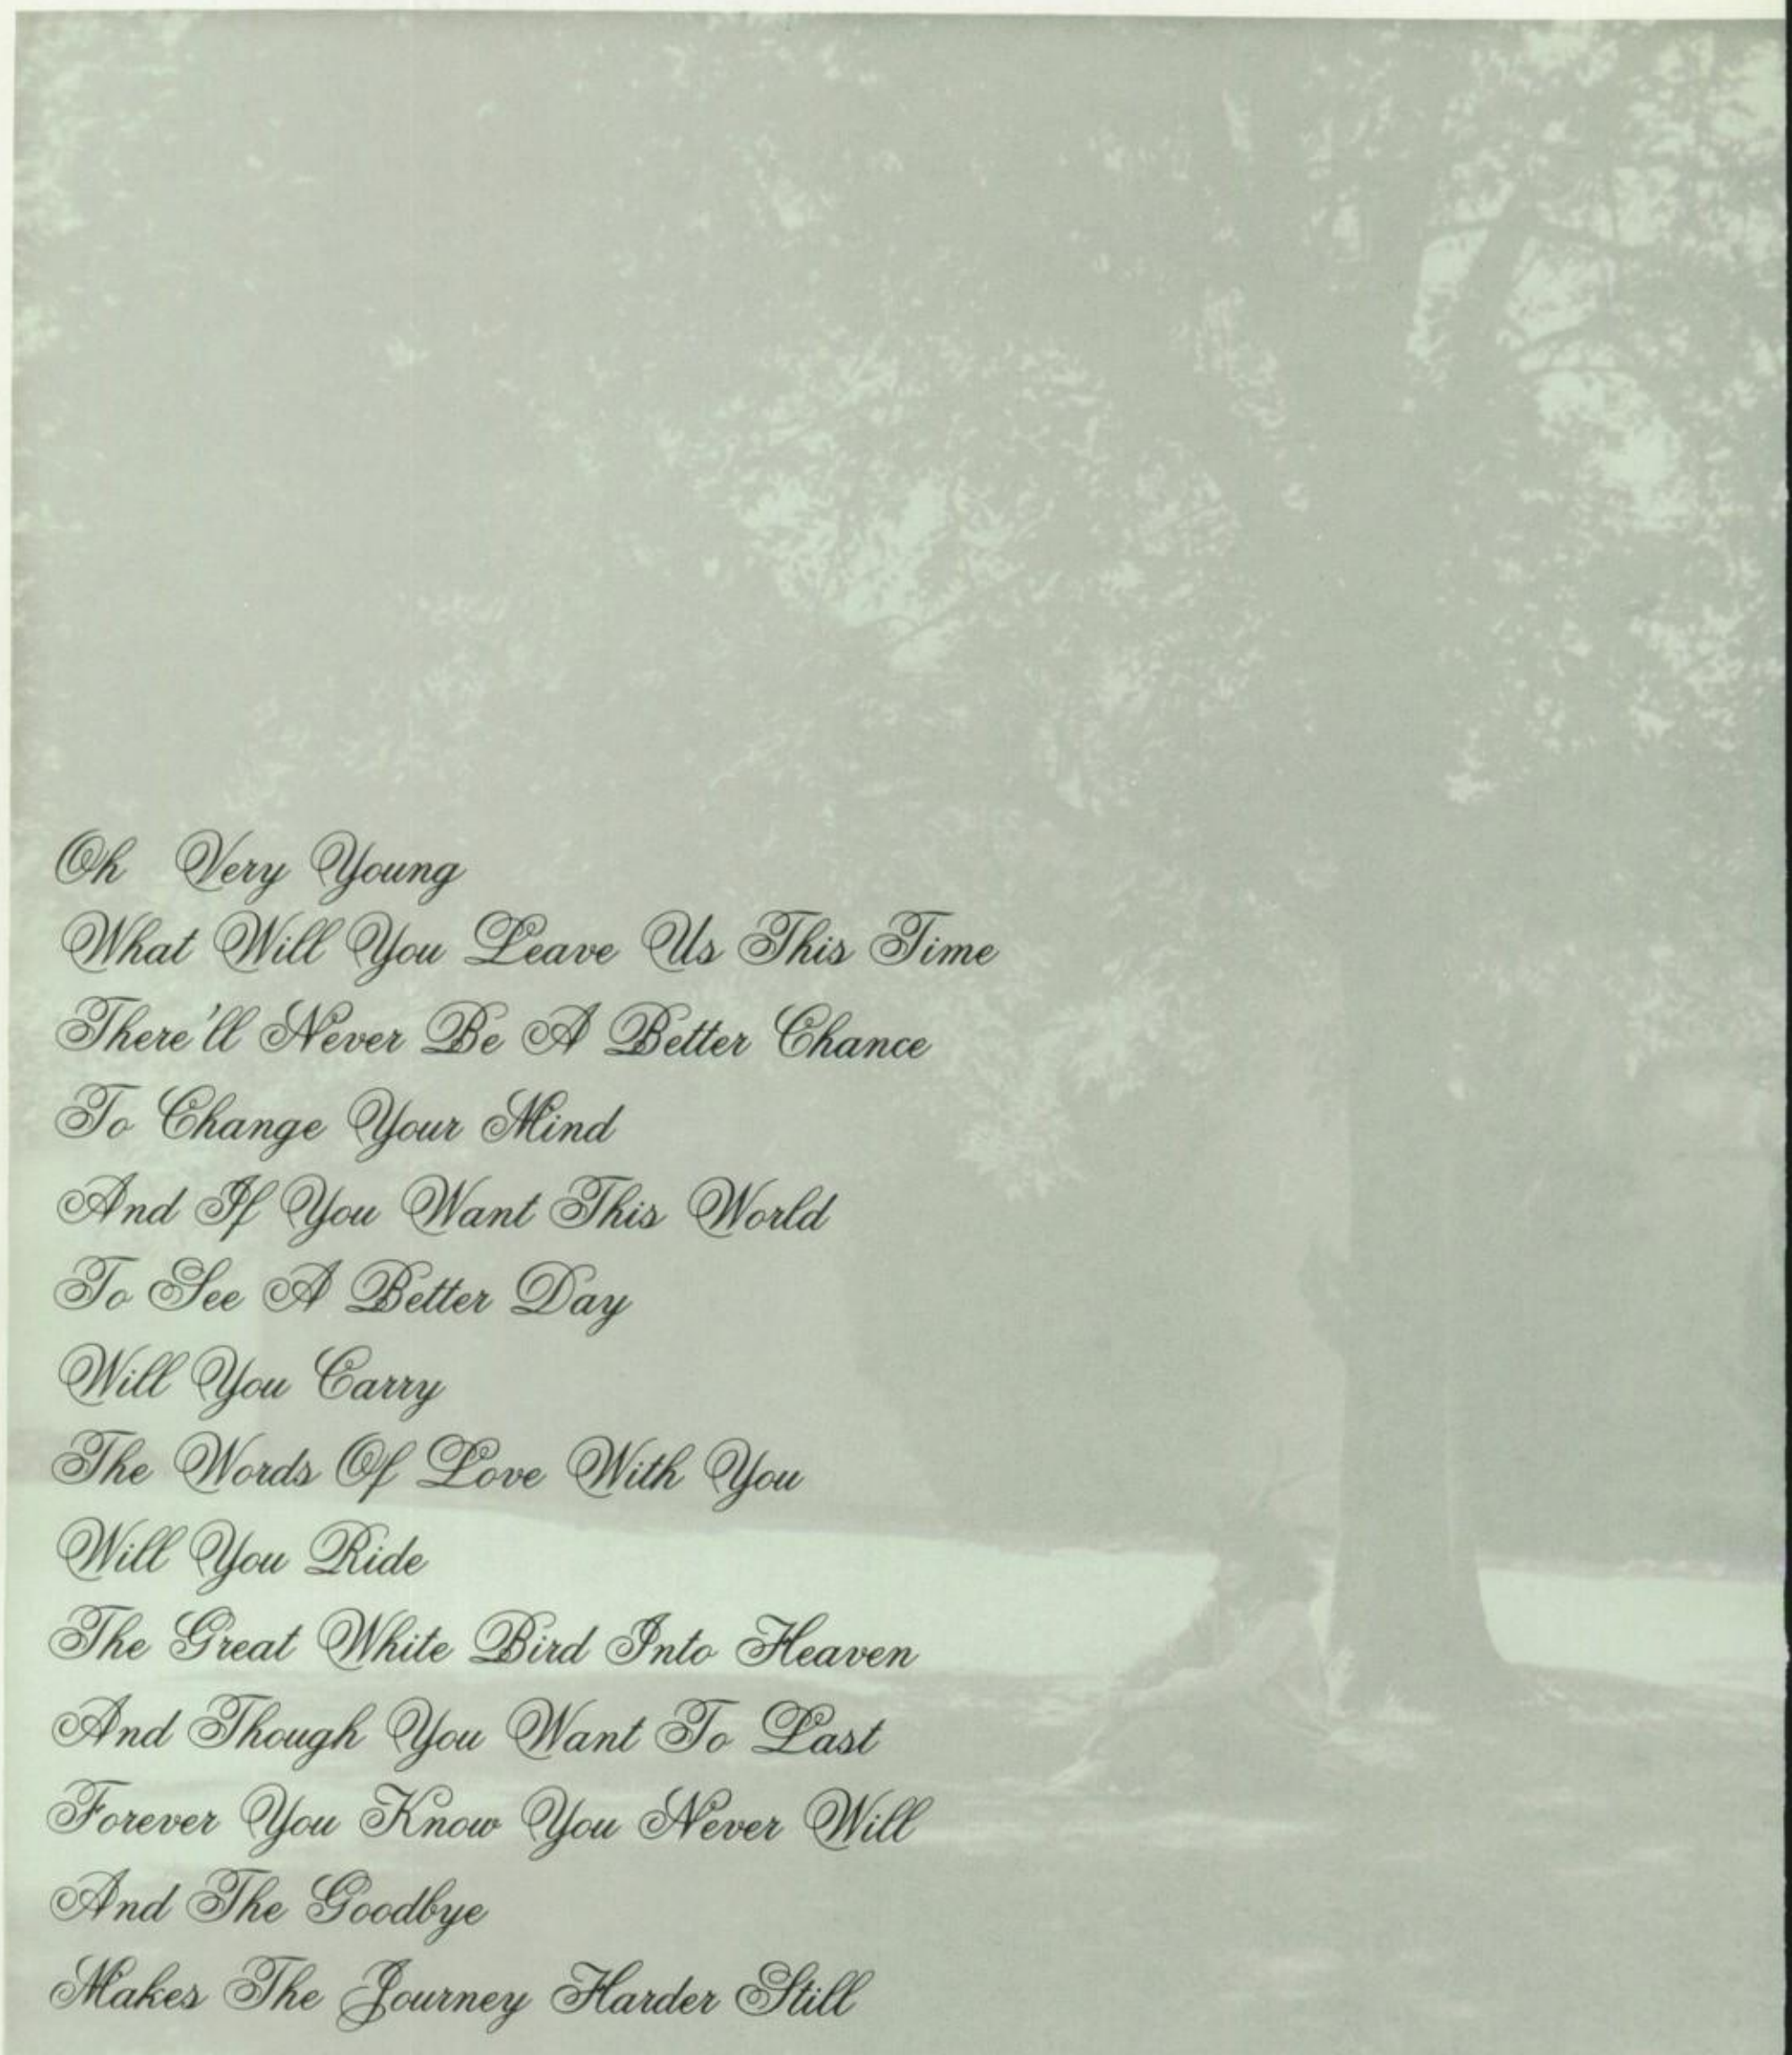
DANE, TERRY, EDWARD, GOT THE 10TH



Oh Very Young
What Will You Leave Us This Time
There'll Never Be A Better Chance
To Change Your Mind
And If You Want This World
To See A Better Day
Will You Carry
The Words Of Love With You
Will You Ride
The Great White Bird Into Heaven
And Though You Want To Last
Forever You Know You Never Will
And The Goodbye
Makes The Journey Harder Still

The long bus rides, the rigid discipline, and the strenuous and repetitious practices became worth every drop of sweat as each teammate gave their all, performing with enthusiasm and determination as they worked towards one common goal . . . to become the best. Of course, fun and excitement comes hand in hand with the harsh workouts every day after school as teammates cheer each other on, always respecting each other's talent. But through winning or losing, proud or frustrated feelings, there is always another season ahead to challenge and conquer, giving each athlete another chance to strive for perfection.

Plagued by injuries and illness, the Mohicans suffered close pre-season losses. However, by the start of the Marine League season, the BEEs were playing tough football.

All-League Defense included **David Phillips, Lowell Kent,** and **Bernard Barber.** All-League Offense were **Alan Scott** and **Willie Lelea.**

BEE halfback, **Louis Langie,"** has a promising future as a Varsity Defensive Back next year."

VARSITY MAKES CITY FINALS FOR

Coach McKinney on the verge of getting a "T" during a tight San Fernando play-off game.

Coach Tak Aoki and his Mohican basketball team had a fantastic year as they compiled a 20-5 record and advanced to the semi-finals of the city play-off. After winning the prestigious Banning Christmas Tournament and taking second in the San Fernando Tournament, the Mohicans entered league with one of the finest records in the city at 11 wins and 1 loss.

Favored to take the league title, Gardena was hurt in their quest for the title as their 6' 7" center James Stewart was hurt in the first league game. He subsequently missed the entire first half of league play.

The Mohicans caught fire and won 8 in a row, including a close playoff win against Kennedy and All-American Darrin Daye.

James Shaw and Sam Rhodes led the team with consistent scoring.

Much of the Moes success was due to a strong bench and the able assistance of Coach John McKinney.

Rolling Star, Vietnamese Culture Club, Hospital Services Occupation, and Thespians are only a handful of the new charters added to our long list of campus clubs this year. Each of these clubs have a great deal to offer and so many times the fondest memories of high school trace back to that certain club you were once a member of. You'll never forget those forty-eight hour basketball marathons or selling sticky, delicious Chinese butterflies during lunch or spending a Saturday afternoon at a convalescent home. These little events that keep each member busy add up to a year full of devotion, sacrifice, and teamwork — qualities that make all of our clubs on campus NUMBER 1!

HOSPITAL OCCUPATIONS SERVES

Hospital Services Occupations is an industrial vocational course. It is designed to train student workers for summer vocational employment in hospital or resthome services. The program is two semesters and two hours per school day. The students of Hospital Services travel by school bus to Gardena Memorial Hospital for practical experiences in different service areas. They are supervised by instructor, Mrs. CA Ledesma RN; Mrs. Starr, LVN, instructional aide; and staff members of Gardena Memorial Hospital to perform services for the patients, such as bedmaking, giving baths, checking vital signs, and transporting and feeding patients. They also learn skills in other areas of the hospital, such as Physical, Respiratory, Therapy, Special C. I. Laboratory, X-Ray, Linen, Labor and Delivery, and the Emergency Dept.

THANKS FOR EVERYTHING . . .

"Where in the world around us is love without a care . . . "

This verse from our theme song expresses my thankfulness to each dedicated individual of the Yearbook Staff. *Although we were an inexperienced staff, the initiative to learn, the patience to understand, and the long hours put into the book everyday after school carried us from a blank and plain book to two hundred and eight-four pages full of colorful memories and surprises.*

The capturing of these cherished memories were accumulated into a book by people who care; people who unhesitantly gave their time, effort, and energy. It doesn't seem enough to just say "Thank You" to these people I have grown to respect and rely upon for all they gave to the yearbook. I just wish each one of you could feel how grateful I am to have the privilege of working with you on this year's El Arador.

The photographers were the backbone of the class as they printed over 4,500 pictures in a little over seven months. A very special, special thanks go to my friends Miles Wat, Rich Yamashita, Mike Yogi, *and* Lynn Takamatsu. *You guys are people that I can really depend on. Each of you gave so much, staying after school till 8:00 p.m. developing and printing pictures. Thank you Miles for taking my division shots . . . I really appreciate it! Thanks for everything!*

The Underclass *section under the direction of* Shea Smith *did a great job.* Jodi Yue *and* Lynn Takamatsu *performed perfectly as they cut all the 10th and 11th grade pictures. Thanks also to Kent for his "brain-power" and lay out ideas. Thank you,* Shea, *for a job well done!*

This year marked the first year the senior portraits were to appear in color. This made the Senior *section work a little harder, but* Diane Deme, Seth Overstreet, Paula Ono, *and* Stephanie Barnett *managed with ease. A special thanks to Diane and Paula for cutting all the senior portraits and for the extra time put into the section.*

This year's Faculty *section was headed by* Nikki Naccari *and* Julie "Jewels" Hirano. *You guys did a super good job, using your creative abilities and ideas. It sure was tough getting all the faculty pics, huh?*

Covering each sport event during the entire year always proved to be a huge responsibility. But through hard work and much planning, Pauline Tomita, Teresa Wortham, *and* Faye Okamoto *did a very thorough job. A sincere thanks to* Pauline *for her efforts and dedication as well as her bubbly personality.*

Clubs and Organizations *is one of the toughest sections in the entire book. Section editor,* Noreen Anzai, *did a terrific job and was always on top of everything. Thanks* Noreen, *you put so much quality into your section. Also, a special thanks to* Stan Yogi, Cindy Iura, *and* Holly Takahashi *as they shared the same responsibilities. Thanks* Stan, *for all the extra time you gave.*

Hard work was also put into the Student Life *section, headed by* Miles Watanabe. Lori Yogi *and* Grace Goya *also gave their "all", planning and pasting layouts. Although* Miles *was busy on the tennis team and was also head photographer, he managed to turn out great results.* Lori *and* Grace, *thanks for everything . . .*

Thanks also to Jill Tomomatsu *for your artistic talents displayed in the showcase. Another thanks to* Tara Goods *and* Grace Goya *for their efforts in the tedious job of indexing.*

This year in Advertisements, *we raised a record high of $8,400, due to the constant encouragement and organizing abilities of* Sylvia Muniz *and* Dawn Dell Angela. *Thanks,* Syl, *for your dedicated services as well as the support you gave to me and the class. Your were a great help and inspiration.*

This year's cover was a little unique in that it was done by airbrush. I'd like to give a special thank you to my firend, Kirk Nozaki, *for the many hours put into the making of the cover. I know your talent as an artist will surely open many doors to you.* Thong Nguyen, *"Mr. Perfect", did the drawings on the introductory pages as well as the design on the autograph pages. Thanks* Thong *for all your hard work and for sharing your talent. The help both of you gave me on the division pages was really appreciated. I really enjoyed working with you guys!*

I would also like to thank these coaches for their outstanding help in assisting the Sports section: Tak Aoki, Ray Maggard, Dale Hirayama, Robert Thornton, John McKinney, Mike Sakurai, *and* Robert Karbach. *Your thoughtfulness will always be remembered.*

"Once a yearbook member, always a yearbook member" describes Joey Ikemoto *as he helped out in photography. Thank you so much* Joey. *Thanks also to* Calvin Williams *for furnishing us with excellent action shots.*

I can't thank Tak Isobe *enough for all his help with the senior portraits and the advertising pictures. We are all so grateful to you!!*

I would also like to thank Franklin Press, George Van Auken, Paul Degeneffe, *and* Jim Bayus *for their superb printing services. Thanks also to* National Bindery *for "putting it all together".*

Dan Shodo *and my* Uncle Johnny *added a "professional" touch to our book with the use of their photographs in the introductory section. Thanks* Uncle *for your generosity and thoughtfulness.*

Every year, Mr. Green *opens up the business office as we sell yearbooks.* Mr. Green, *we thank you.*

A special thanks also to "Heatwave" *for the permission to use the lyrics of your song* "Leavin For A Dream". *We really appreciate your friendly gesture.*

I would also like to thank my personal friends, Tracy Kubo, Paul Yosh, *and* Paul Tanaka *for your support and advice. Thanks* "Shab" *for your expert help with my division pictures!*

Saving the best for the last, I would like to express much thanks to Mr. Gene Cattermole, *Yearbook Advisor. Your patience, understanding, humor . . . your "everything", has made my editing of this year's book a job I have thoroughly enjoyed. Thanks for your guidance, advice, and your caring. You will be a person that I'll always remember.*

Of course my parents *have helped me to endure this job. Thank you for your understanding, constructive criticism, open minds, and most of all, your love. Thanks also to my sis,* Mari.

P.S.
A very special thanks to my Lord for just always being by my side.

With love,
Bender

THANKS A BUNCH, CATT!!

Many agree that teaching is a full time job in itself. But, besides instructing biology classes and helping out in the main office for two periods, Mr. Gene Cattermole, Gardena High's Yearbook Advisor, is also involved in meeting deadlines and coping with the numerous problems which always accompany a yearbook class.

Arriving at school at six in the morning and often leaving the campus at seven at night, is a routine day for Mr. Cattermole. His patience is always evident and his sincere dedication and his humorous little antics always keep the class in high spirits.

Mr. Cattermole, whom we all call "Catt", has been the yearbook advisor for twenty-two years now, each year giving his full attention, responsibility, and experience to the incoming yearbook staffs.

Because of all the hard work and time devoted to the yearbook, the staff would like to give a big "Thank You" to Mr. Gene Cattermole. Another sincere thanks goes to his wife, Lorene, for her patience and understanding.

Thanks Catt, your efforts, sacrifices, and guidance will always be cherished within our hearts.

Hey Derek,
You know, you
are one of the best people
NFL has. You came in here and
blew everybody away. I'll always remember
how you were my rookie, and you really
jammed. I was real proud of you, as I
had a good reason to, and so do you. I'll
never forget that talk we had after all the
misunderstandings as it really strengthened our
friendship. I really am going to be sharing a
precious moment with you, at graduation and I
really feel good about it. You are a very good
speaker and I hope you continue to use this talent.
You know what I say about don't let other people worry you,
or bother you, you have to move on and jam. You have the
determination and power to do whatever you want to do, so go
for the gusto!! Thanks for letting us get to know each other, we
needed it. Hey, you take care and thanks for everything.

Love always,
Susan

P.S. see you next year when you come to visit Paddor.
